

Dear All,

I have been delighted by the feedback to emotion coaching. To date, children, governors, staff and parents have all been exposed to the theory and have been trialing it in various ways. I am keen to measure the impact of the approach to date and share an evolution of the ideas that applies to all learning. If you would like to hear more or want to feedback on your experiences to date, I warmly invite you to an impact session on Tuesday 18th July at 9am.

I do hope you will be able to share your own thoughts to help the school drive forward.

Children's University Graduation

This is an exciting event for those students who have worked hard and booked a place at the graduation ceremony.

We have asked West Herts college for an update on the evening and have been given the following information:

- Tickets will be available at the door.
- Please feed yourself and your child before attending as there will only be snacks available and these will be for the children only.
- There are no spare tickets for the second session. There are only a few for the first session which will be on a first come first served basis at the door.

NSPCC

Thank you to all of our extended school family who sponsored the children for their Whole School Zumba session. You have raised £789.30, so far – well done!

If you have yet to return your money/form, please do so and we will forward it on to the society.

Cash Payments

Correct money ALWAYS please. We are not allowed to store money on the premises and therefore bank regularly. This means we rarely have change.

Thank you.
