

Head Teachers Weekly Message

Thank you to everyone for making it a great first week back in school. We have a lot to look forward to:

The new year's curriculum is going to be very exciting, with many interesting topics ranging from storytelling to chocolate making. Year 5/6 are learning about the Romans and in November they will perform their production with other schools at Watersmeet. Mrs Trickett has also secured two full class sets of tickets to go to see 'Alice in Wonderland' at the Royal Ballet. After Christmas, we also look forward to 20 children performing at the O2 in the Young Voices concert along with many other schools.

I would like to thank our teachers for organising so many interesting events for the children for the coming year.

Duncan Roberts

IMPORTANT NOTICE

Yesterday one of our pupils walked out in front of a car and was knocked down. Fortunately he does not appear to be badly injured but please may we remind you to talk to your children about the importance of taking care when crossing the road or walking round to a car door. Their lives are very precious.

No Parking Woodland Road

Whilst the gas works are slow to commence in Woodland Road, to the best of our knowledge they will be there with heavy machinery. If and when this happens, take care with parking and dropping off your children.

School Uniform

Just a further reminder. School uniform is sold from the school office on a Thursday 1:00pm-2:30pm. We will not be selling or issuing uniform at any other time.

Please complete the form in reception and leave with the office or put in the post box with the correct money or cheque written out to Maple Cross JMI School, in a sealed envelope with your child's name & class and the amount inside. THANK YOU

We are currently waiting on a further supply of school uniform due in on the 18th September, we will send all orders down to class as soon as we have them in stock.

MSA

Mums, Dads, friends and family, do you have an hour at lunch time? We are looking for people to join the team. Your help would be appreciated.
