PE KIT

Please ensure your child has PE kits in school everyday.

Hair must be tied back and earrings removed to ensure all children are safe and able to fully engage with the learning.

COMMUNICATION

A number of parents have recently asked questions about communication and enquired about sharing more information. Sometimes it is not always possible to share every bit of information immediately.

Please be assured that we share all relevant information as soon as possible and all decisions are made in the best interest of all involved.

If you have any questions please come and ask and we will share as much as possible.

LEARNING TALK – DEVELOPING LEADERSHIP

This week, the children have been exploring the leadership characteristic of *'begin with the end in mind'*. During both assemblies and followed up in class children have been using a three step strategy;

1. Think of what you want to achieve 
2. See it (imagine it happening) 
3. Describe it and explain what you want to achieve 

Tea with Mrs T

Every Friday pupils from each class share their learning with me over a cup of hot chocolate, tea or water. We are developing the pupils skills to discuss the 'how' and 'what' they are learning. Look out for displays in classrooms next time you are in school.

STEPS BEHAVIOUR APPROACH

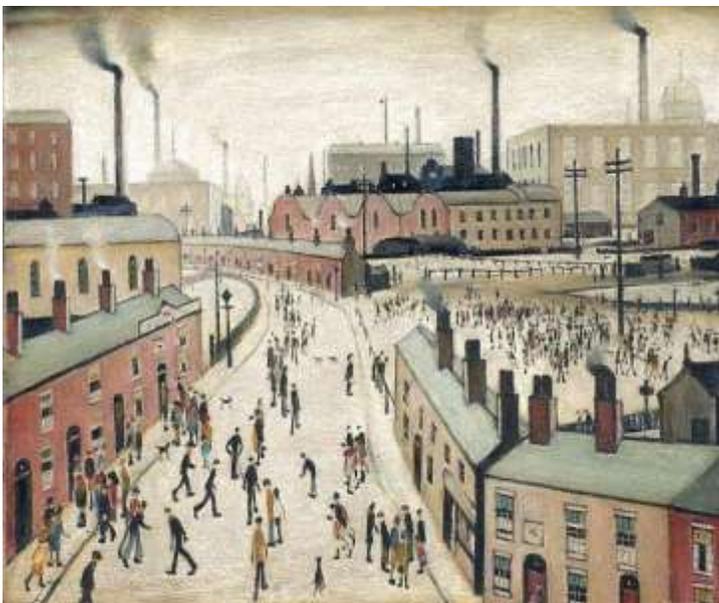

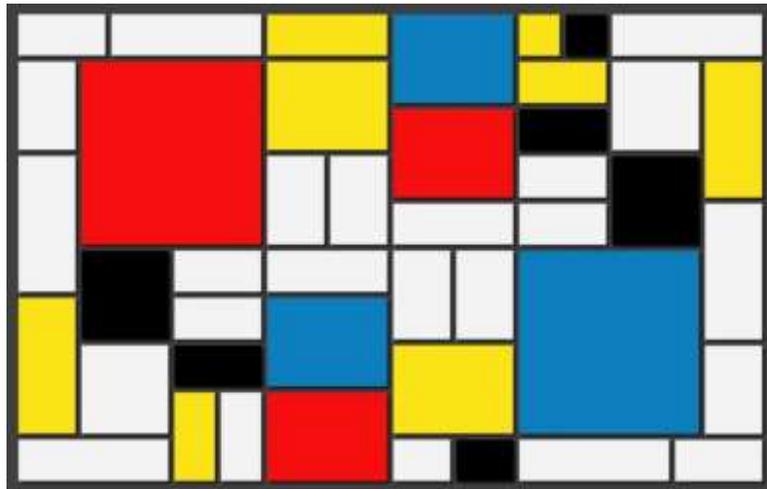

LIKE MOST SCHOOLS IN HERTFORDSHIRE, WE ARE DEVELOPING THE STEPS APPROACH TO BEHAVIOUR. YOU MIGHT HEAR THE TERM EDUCATIONAL CONSEQUENCE. THIS MEANS A CHILD IS TALKED THROUGH THEIR ACTIONS AND GIVEN A CONSEQUENCE LINKED TO THIS.

ARTISTS

This term we are developing our art curriculum. So far I have shared three very different pieces of art that have shaped my love of all things creative.

What do you think?

What is your favourite art?

SCHOOL GATES

To minimise disturbances to the classes facing the playground, from Monday, we will open the gates at 3:10pm.

Thank you for your support.
