LEARNING TALK

Welcome back! We hope everyone had a wonderful summer. Over the holidays, school has been a busy place. A new foyer space have been created, corridors have been painted, bike shelters washed, two skips filled and much sorting and organising.

This week in assembly children started to break down our learning attributes into clusters of words. On the reverse of this page are all the words and pictures. Have a family discussion – can you match the words and pictures?

*What do our learning words mean?
How do they help us as learners?*

MABEL

Congratulations to Conor in Year 6 who correctly guessed the name of our new school dog. Conor is working with Ms Trickett as our lead pupil ambassador to help educate all the pupils in school about the work of therapy dogs and how to look after a puppy.

Thank you to everyone who has been so understanding of her training. As soon as she is allowed to interact we will let you know.
