

# LEARNING TALK

This week our School Parliament headed up to London to visit The Palace of Westminster and learn more about democracy and the voice of the people. Yet again members of the public stopped us to comment on the exemplary behavior on show.

*"your children are very well behaved, it is lovely to see"*

On Monday, we also welcomed art students from The Reach Free who hosted a skills workshop with year 3, 4 and 5. The children created beautifully detailed sketches of school. We will be displaying these around school.

Key Stage 1 put on the Christmas Nativity (with a very bossy soldier!) and we welcomed many families in to school for decoration making on Wednesday. Thank you for your support at both events. We are all starting to feel very festive.

*What do our learning words mean?  
How do they help us as learners?*
