

LEARNING NEWS

Maple Cross JMI and Nursery
Friday 26th February 2021
Spring Term 2, Volume 1

Welcome back to a new half term. Spring has sprung, flowers are decorating the landscape and all the children are returning very soon. Optimism is in the air! We are still awaiting clarity of details about logistics but these are expected today or early next week. The school team have created a bespoke three-week plan for all children upon their return. It will focus on;

- Reconnecting
- Well-being
- Me as a learner

Full details will be sent out next week. On Friday 19th March we will be celebrating and raising money for Red Nose Day.

Full details about Red Nose Day will be sent out next week but we wanted to give you some advance notice! All children (and staff!) will be asked to

come to school dressed as super learners (super heroes). We ask for no Marvel or other commercial outfits. Instead all children, create and make a simple superhero outfit.

Speed Bounce Competition

A large number of Hertfordshire schools participated in this event, so Thank you to everyone who took part in the competition. Below are the results . . .

Year 1 – 10th place
Year 2 – 10th place
Year 3 – 12th place
Year 4 – 2nd place!
Year 5 – 4th place
Year 6 – 2nd place!

Breakfast and After Sch Club

From 8th March both breakfast and afterschool club will be starting up again.

Please book your slots using the following email. maplecross@footsteps-nursery.co.uk

Sports Clubs with Mr Jarvis

All after school sports clubs will commence from 8th March and include the last week of term. Full details were emailed out this morning.

Tennis Club

Tennis clubs will resume from 8th March. Contact GS44Tennis directly to secure a place. [email: Lisamatchprotennis@aol.com](mailto:Lisamatchprotennis@aol.com)

There will be no newsletter next week as there will be letters throughout the week with confirmation of logistics from 8th March.

*Please note there will be no live assemblies at 1pm next week and just one live check in session at the start of the day for each class. All learning will be loaded onto the Google Classroom.
